To Whom It May Concern:

In reference to information that we received from attorneys Coffield, Ungaretti & Harris, 3500 Three First National Plaza, Chicago, Illinois 60602, regarding participation by Davies Imperial Coatings, Inc. in the American Chemical Services' RI/FS Contribution for new companies, could we please obtain the information regarding our volume sent to American Chemical Services during the period 1976-1980? Figures shown do not represent the gross volume (less 80% to reflect an 80% recovery rate) sent to American Chemical as presented to the EPA (documentation was included) by Davies Imperial Coatings, Inc. in July 1992.

We would appreciate your immediate response. Thanking you in advance for your cooperation.

Sincerely,

Donn T. Davies  
President
